## DESCRIPTION

Classic is a redwinecuvée made of Zweigelt, St. Laurent and Merlot. The sorts were harvested separately, so it was possible to create it systematically. The wine, made of these ripe grapes, has a nice shiny ruby colour with purple reflexes. The wine is stamped by a comfortable harmonic smell of red ripe fruits and an easy spice. It is round, plump and juicy on the palate. In the finish pleasantly soft and balanced.

**Sorts:** Zweigelt, St. Laurent, Merlot
